

MARCIANO
E S T A T E

ESTATE BLANC

2017

From a single acre of Sauvignon Blanc vines planted on our estate vineyard, the Marciano Estate Blanc, is aged in small concrete and oak barrels to yield a layered wine with stone fruit and mineral notes, elegantly balanced for longevity.

The 2017 vintage is vibrant and fresh, with aromas of golden pear and apple, ripe nectarine and citrus zest, complimented by subtle hints of honeysuckle and delicate notes of fennel and spearmint. On the palate the wine is layered and round with a soft texture, balanced acidity and rich lingering finish of lemon curd, freshly baked bread and a gentle chalky minerality.

VARIETALS

95% Sauvignon Blanc, 5% Sauvignon Musqué

CASES PRODUCED

115 cases
