NON-MEVUSHAL**

2015

The 2015 Terra Gratia Kasher Red Wine captures the essence of Marciano Estate's unique terroir. A blend of 90% Cabernet Sauvignon and 10% Cabernet Franc, this non-mevushal wine has a beautifully intense ruby color. Its aromas leap from the glass with ripe blackberry and cassis, hints of dried herbs, pencil shavings, and graphite.

Its palate is rich and lush with concentrated black cherry and macerated strawberry flavors complimented by layers of Asian spice, espresso and cacao. Robust with superb balance, the wine's silky tannins slowly build to its long and layered finish.

Though approachable in its youth, the 2015 Terra Gratia has the intensity and concentration to evolve gracefully in the cellar for many years. Hundred and fifteen cases were produced.
