

M
ESTATE RED WINE
2016

This wine is a rich and layered Bordeaux Style blend that balances the density and power of our vineyard's Cabernet Sauvignon with the silky texture and perfumed aromatics of our best blocks of Cabernet Franc. Lush flavors and supple structure make this wine generous in its youth, while allowing the wine to age gracefully for many years to come.

The 2016 M Proprietary Red wine boasts aromas of blackcurrant, violet and mocha. Cabernet Sauvignon adds focus, depth and concentration to the mid-palate alongside layers of dark cherry fruit and baking spices. This vintage produced exceptional Cabernet Franc that endows our blend with its expressive, captivating fragrance and refined texture, resulting in a seamless wine that beautifully showcases the character and complexity of our estate vineyard.
