

MARCIANO
E S T A T E

CABERNET SAUVIGNON
2016

The Marciano Estate Cabernet Sauvignon is the highest expression of this historic property. Made in quantities dictated solely by quality, Marciano Estate represents years of cultivating beauty from this singular vineyard. From the small block of iron-rich soil that forms the core of the Marciano Estate Cabernet Sauvignon, the 2016 vintage produced a distinctive wine with impressive power, depth and purity. Estate Cabernet Franc adds further luxuriance to the wine. The enticing flavors of cherry, cassis, complement layered notes of vanilla bean, mocha, blonde tobacco with polished tannins and supple texture frame with a graceful finish.

The 2016 vintage is delicious now with time in a decanter. Those with the patience to cellar their wine will be rewarded, as the 2016 Marciano Estate Cabernet Sauvignon has the structure and balance to age well for decades to come.
