CABERNET SAUVIGNON

2018

The grapes are sourced from one of our most coveted parcels on the property, prized for producing dense, voluptuous, and complex fruit. All of our grapes are hand-picked at night to keep the fruit chilled, then gently hand-sorted, fermented, barrel-aged and bottled all in accordance with the strictest Kosher standards. A resulting wine that is unfinned and unfiltered.

In the glass, the wine has a deep mahogany color. Aromatically very rich and complex with fragrances of dried spices, lavender, vanilla bean, graphite, and ripe black summer berries. On the palate, the wine greets you with soft tannins, evolving to a long, luscious midpalate and generous lasting finish leaving you with flavors of blackberry, vanilla, black cherries, and mocha.

Very approachable wine upon release with several hours of decanting. Cellaring this wine is highly recommended and will be extremely rewarding up to and beyond 25+ years.
